Instructions for
Printing and Reproducing the Materials

Office Printer

(for in-house reproduction)

- Go to the "Flu Gallery" on the NIP flu web site at **www.cdc.gov/nip/Flu/gallery.htm**
- Download a copy of any item shown in **.pdf format for PRINT**
- *Optional:* You may add your agency, clinic, or company name, address, and logo.
- Print to an office laser or ink-jet printer
- Black and white images are provided for reproducing on your office copy machine

Commercial (offset) Printer

(for higher quality, large quantities, items in precise color, large [18-inch x 24-inch] posters, and brochures trimmed to size)

- Ask your professional printer to go to the "Flu Gallery" on the NIP flu web site at **www.cdc.gov/nip/Flu/gallery.htm**
- They can reproduce files in **.pdf format for PRESS**, or
- If your printer prefers, we can provide a CD-ROM with **QuarkXPress** 5.1 files and supporting files. You can request a CD-ROM for your commercial printer by calling the NIP Resource Center at **(404) 639-8226** or email **NIPINFO@cdc.gov**

Protect yourself. Protect your loved ones.
